Trusted Partnerships

Why choose

NCUK International Foundation Year IFY at IUPC?

Fast Track Programme

IUPC provides you a nine-month foundation pathways, compared to the two year A-Level programme. This allows you to complete in a shorter time period as opposed to the normal university route.

Guaranteed Access

Get the best opportunity of success with our guaranteed access to 50+ universities and 4000+ degree courses to choose from. The NCUK Guarantee works to ensure that your future is secured, and your study abroad dream stays alive.

English For Academic Purposes

Gain an exception from English test such as IELTS or TOEFL when you study EAP. This rigorous programme will ensure that you are well prepared to communicate properly when studying and living abroad.

Value For Money

Studying the International Foundation Year at IUPC cost one-third of the price to study the same programme in the United Kingdom.

This helps you not only save on money but plan ahead to ensure a comfortable stay for your child.

Trusted Partnership

With over 40 years of experience in the industry, students are able to enjoy the partnerships we have formulated with universities worldwide to ensure smooth transition from studying IFY to beginning their university studies abroad. The partnerships stem into UK, Australia, Canada, USA, New Zealand, Malaysia, Dubai etc

Performance Results

At the core, we believe that the results speak for themselves. With a pass rate of more than 80% with over 75% A*, our team of seasoned tutors push the envelope to enable all students to fulfill their full potentials in order to gain entrance into their first choice university.

IUPC ACADEMY

YOUR PATHWAY TO TOP UNIVERSITIES GLOBALLY

International University Pathways College (IUPC)

International Universities Pathways College (IUPC) is an institution based in Nairobi, Kenya, that offers the International Foundation Year (IFY) in conjunction with the Northern Consortium (NCUK). The IFY qualification prepares international students for their first year entry into an undergraduate degree programme in any of the NCUK partner universities worldwide. Above 80% of our students have achieved outstanding grades of A and B in their final exams and have progressed to top universities abroad.

The vision of the college is to create a globally-connected institution in Business, Sciences, Humanities, Art and Design and Innovation, tackling 21st Century challenges and opportunities and developing future leaders. The founders strive to create a global university pathways college of the future on a beautiful garden-like campus with highly qualified teachers, well-established classrooms, highly capable student support team, Art & Design studio, seminar-rooms, computer and science labs, recreational facilities, as well as catering services.

The college complex comprises of three main buildings, which house, the main administration block, library, computer lab, cafeteria, recreation area and the tuition block.

Our campus grounds are located on 3 Kanjata Road, off James Gichuru Rd, Lavington and intakes are in September and January of each year.

About NCUK International Foundation Year (IFY)

IFY is a qualification designed with NCUK partner universities to prepare international students who have completed KCSE, IGCSE, A-Levels, International Baccalaureate Diploma among other qualifications a direct pathway into top universities in the UK, USA, Canada, New Zealand and Australia. This qualification prepares students for the first-year entry to undergraduate degree courses in any of the NCUK partner universities worldwide and beyond. Because the IFY qualification is designed in collaboration with NCUK university partners, it is of the highest academic standards.

Our expansive IFY curriculum covers Business, Humanities, Engineering, Art and Design and Science/Medicine streams and only takes 9 months to complete.

Students can then progress into over 4,000-degree choices like Artificial Intelligence, Architecture, Actuaries, Finance and Marketing, Interior Design, Computer Science, Engineering, Medicine among many others. Upon successfully completing the NCUK International Foundation Year, you gain guaranteed entry to a suitable course at an NCUK University. The NCUK Guarantee means you have an excellent choice of leading universities who will offer you a suitable place based on your grades and area of interest. NCUK gives you that offer on results day and takes the stress out of the application process.

About NCUK

The Northern Consortium was established in 1987 by a group of forward thinking universities in the north of England. The group, keen to share their knowledge and experience, established one of the earliest examples of transnational education. As a result, tens of thousands of students have benefitted from access to international education over the last thirty years. In 2003, the Northern Consortium, established its wholly-owned subsidiary, NCUK, to continue to create opportunities internationally that improve access to higher education for students globally.

NCUK qualifications are designed in collaboration with partner universities and combines high academic standards, with language, study, social and cultural skills, taught by quality assured partners who uphold high quality standards.

NCUK qualifications are recognised by universities from within the NCUK Global Network and beyond, they are able to give students the best start and guarantee access to an NCUK University upon successful completion of their studies. Their qualifications are backed by fantastic levels of service and support, and an outstanding track record with over 40,000 students progressing to universities in the UK, Australia, Canada, USA among others since their inception.

IFY Course Information

Academic entry requirements:

Middle Years Programme

Successful completion with a total of 34 points or more with a grade of 5 or more in both Maths and English. Students must have completed eAssessment.

IGCSE / O Level

Successful completion of 5 modules with grades of CCCCC or grades of 4 or above (to normally include Maths and English).

KCSE

Successful completion of 5 modules with grades of CCCCC (to normally include Maths and English).

AS Level

2 E Grades from a UK A-Level board.

A Level

One E Grade from a UK A-Level board.

International Baccalaureate

Successful completion with a minimum of 22 points.

Minimum Age:

Applicants must normally be 17 years old by the 31st December in the year that they start IFY. Applicants who are 16 may be accepted in exceptional cases but such students will have limited progression options.

Entry to Medicine:

NCUK offers a number of progression routes to medical courses. Students who wish to apply for these courses must have a science background in their qualification prior to IFY and have performed well in excess of the minimum entry requirements outlined below.

English Language Requirements:

Students must be able to show English language ability at IELTS 5.0 level or equivalent prior to entry. Students should present a form of English language certification as well as the academic qualifications. If a student has been unable to take an internationally recognized test of English, IUPC may use an internal test or interview to assess a student's English language level. We can arrange for students to take a Password test either at IUPC or at home.

Checklist for Admission:

1. Academic certificate
2. Passport/Birth certificate
4. Leaving certificate from previous school
3. Student pass (for international students only) - IUPC will assist with application process and reference in the absence of this document.
4. Duly filled and signed Application/Enrollment Form
5. A functional laptop
6. Scientific calculator (please seek advice on the college regulation before buying one)
